Poseidon Memorial Reef & Ocean Legacies

AN ALLIANCE OF INDEPENDENTS

Independent By Choice. Stronger Together.

Families trust your independent firm with their most personal decisions. Give them a new way to remember, while keeping that trusted relationship in your hands.

Your Relationship Comes First.

You know the family. You guide the choice. Memorial Reefs Direct provides the ocean memorial. We do not solicit your clients.

A New Choice. A New Opportunity.

Offer remembrance with an environmental purpose. Earn commission on every placement, with no inventory to buy or store. Help families honor a life through a living reef.

Builder Direct. On Your Side.

Families receive the same memorial at the exact same price as buying direct. Your guidance adds personal care, without adding to their price.

Keep Your Independence. We are in this Together.
