

To Our Donors

“Breaking the Silence Forever!”

This vital campaign is dedicated to raising awareness, providing resources, and fostering open dialogues around ***Mental Health*** issues that impact **Women and families** in our community.

OUR MISSION

“Breaking the Silence”

Mental Health continues to be a subject surrounded by stigma, particularly among **Women and families**. This stigma often prevents those affected from seeking the help they need, leading to prolonged suffering and in many cases, devastating consequences. Through our coalition's efforts, we are committed to changing this narrative. Our mission is to ***“Break the Silence”***, provide support, and create a community where ***Mental Health*** is prioritized and openly discussed.

HOW YOUR SUPPORT MAKES A DIFFERENCE
