PEACE · EDUCATION · ASPIRATION · RESPECT · LOVE · SMILES

2025 IMPACT REPORT

Messages from the Founder & Executive Director

15 Years of Radical Kindness

2025 tested that kind of kindness more than almost any year I can remember.

Our community in Tondo was hit by four major fires this year. Each one tore through homes that families had spent years rebuilding, and each one pulled directly from emergency funds we'd hoped to stretch across the whole year. By the fourth fire, our reserves were exhausted. What wasn't exhausted was the bayanihan — the instinct of our community, our donors, our volunteers, and our staff to carry each other's load without being asked. That is radical kindness — not a slogan, but something we watched happen in real time, fire after fire.

This year gave us something I've waited fifteen years to see: our scholars graduating. Not just finishing a school year — walking the stage, high school diploma or college degree in hand. The same kids who once walked into our preschool as four- and five-year-olds.

That's fifteen years, start to finish, for a single child. No grant cycle or strategic plan is built to measure a timeline like that. But we were. And watching them graduate is proof it was worth every year.

For marginalized communities, both the flood control failures and the cuts to international aid were not distant news — they were personal. Money meant to protect their homes from flooding was allegedly lost to corruption, and the floods kept coming anyway. At the same time, cuts to international aid pulled support away from programs that vulnerable communities depended on. Two systems meant to protect the poorest failed in the same year — and the people with the least were left to carry the weight of both.

We share this not to explain away a hard year, but because it's the honest backdrop againstwhich our community's bayanihan means even more. When the systems around us tightened, the people closest to us didn't. That's the story of our fifteenth year, and honestly, it's the story of every year before it: Project PEARLS has never been sustained by ease. It's been sustained by people choosing, again and again, to be radically kind.

Fifteen years in, we're not slowing down — we're graduating, rebuilding, and starting the next generation of preschoolers on their own fifteen-year runway. Thank you for being part of ours.

With deepest gratitude and renewed faith,

Melissa Villa

Message from the Deputy Executive Director

15 years of Project PEARLS. What began as a humble mother-and-daughter initiative by Melissa and her daughter, Francesca, has grown into a trusted nonprofit organization dedicated to transforming lives. Inspired by a simple desire to help two young girls gain access to education, Project PEARLS now serves more than 800 scholars across communities in the Philippines.

Throughout these years, we have witnessed countless stories of hope and resilience. Beyond just mere poverty statistics, these are stories of Filipino children, youth, and families who have dared to dream beyond their circumstances and worked tirelessly to build brighter futures despite the challenges they face. Their courage and unwavering spirit inspire us every day and strengthen our commitment to continue this mission with purpose, compassion, and hope.

This would not have been possible without our community of supporters–our partners, volunteers, and sponsors. When we say that "it takes a village", we truly mean it. Ours is a village that believes in the transformative power of education; that understands that a seed of a dream can grow and become a reality when nourished; that upholds the dignity of every individual, regardless of background, age, or gender; and that knows lasting change is only possible when we work together.

As we celebrate this 15-year milestone, I would also like to recognize the beating heart of Project PEARLS: our dedicated "rain or shine" team who turns our vision into reality every single day. Whether it is ensuring that every child has nutritious meals and complete school supplies or pursuing the larger dream of raising a generation of compassionate changemakers, they embody the mission and spirit of our organization.

To everyone who has walked alongside us on this journey, thank you for believing in our mission and in the limitless potential of every Filipino child. Your generosity, trust, and commitment have made these 15 years possible.

As we look ahead, may we continue to work hand in hand in building a brighter, more equitable future—one where every Filipino child has the opportunity to learn, thrive, and realize their dreams.

With deep gratitude and solidarity,

Monica Aclan

EXECUTIVE BRIEFING

Two Entities. One Fierce Mission.

Fifteen years ago, Project PEARLS made an ironclad covenant with the children of the Philippines:

poverty would never dictate the ceiling of their dreams. Today, that covenant is being fulfilled in university lecture halls, community clinics, and thriving social enterprise workshops across five regions of the Philippines.

PROJECT PEARLS USA

501(c)(3) · San Francisco, CA

- International funding gateway
- IRS-compliant tax-deductible giving
- Compliance engine & fiscal anchor

PROJECT PEARLS PHILIPPINES

PCNC Accredited NGO · Manila

- Ground execution & delivery
- Full financial transparency
- ESG-qualified corporate investment

> *Your generosity meets our mission — and together, we change lives, one family at a time.*

Tax-Deductible Giving Through Project PEARLS USA

Any donation made to Project PEARLS USA is fully tax-deductible under IRS regulations, regardless of where you are in the world. Every dollar goes further — and your generosity is recognized by law.

For Donors & Partners in the Philippines

Whether you are an individual, a small business, or a multinational corporation, your contribution to Project PEARLS Philippines is fully recognized under our PCNC accreditation — satisfying ESG mandates and eliminating donor tax exposure. No gift is too small. Every act of giving transforms a life.

EDUCATION PROGRAM

Scholarship Program

799 Active Scholars · 52.4% Female Higher-Education Base · 6 Community Hubs

As a cohort of scholars climbs higher up the academic ladder, the capital requirements scale exponentially. A university student requires **up to ten times the annual funding** of a preschool learner. In response, Project PEARLS made a bold, high-integrity decision for School Year 2026–2027: we intentionally reduced new preschool (Time-to-Learn) slots from 90 to 60. By choosing depth over width, we reallocated critical resources to fully back our senior cohorts — currently funding **56 college scholars, 15 vocational students, and 69 Senior High School students**. Women represent 52.4% of our overall student base, surging to 76.5% in 2nd-year college and 88.9% in 3rd-year college. Our upcoming 4th-year university graduating class is nearly doubling from 9 to 18 students — the largest in PEARLS history.

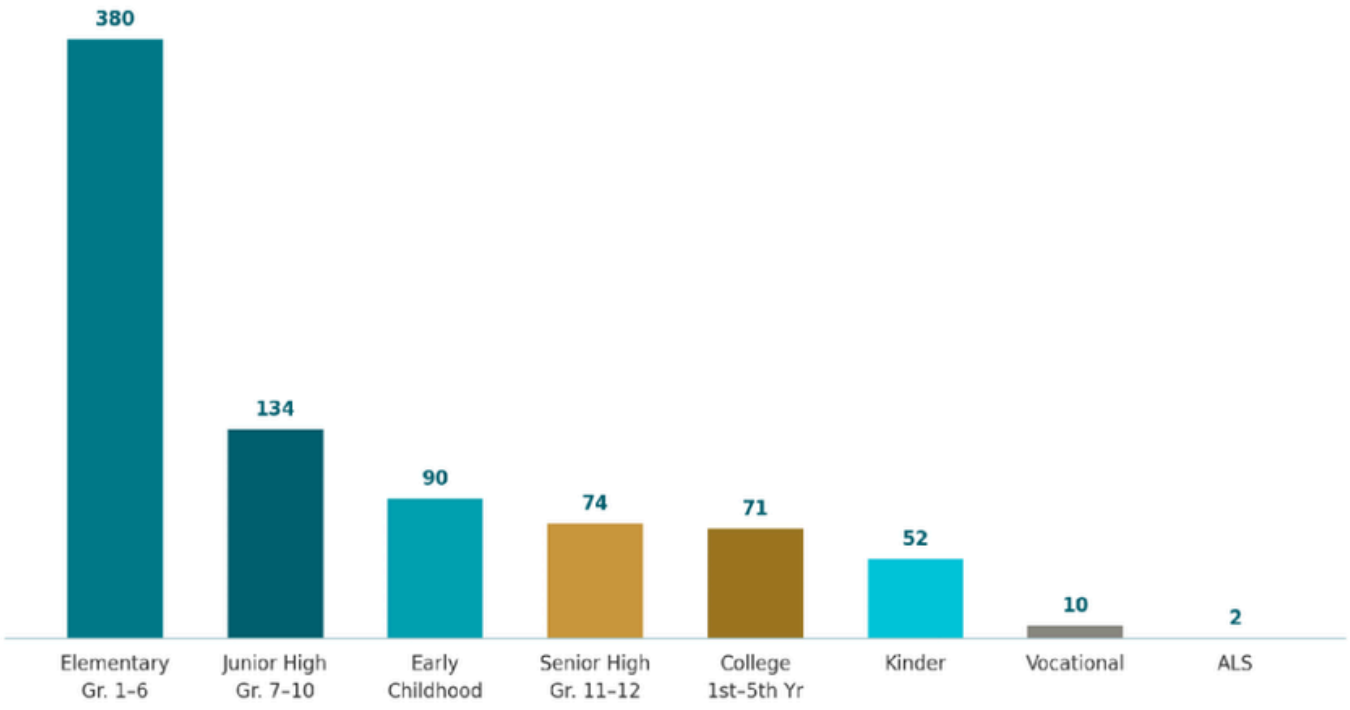

Why This Matters

- 56 college scholars currently funded; rising to 71 in SY 2026–27 — 4th-year cohort nearly doubles: 9 → 18 graduates
- Women represent 52.4% of all scholars; surging to 76.5% in the 2nd-year college cohort and 88.9% in 3rd-year college — a landmark gender equity milestone
- Preschool (Time-to-Learn) intake intentionally reduced from 90 to 60 for SY 2026–27, reallocating resources to fully back senior cohorts
- Grand Opening of the dedicated Tondo Time-to-Learn Classroom (March 28) — a milestone years in the making
- Sky Dance Manila partnership: 11 scholars won Silver at MNL Dance Prix 2025 — from beginners to national-level performers
- ADB Staff Community Fund grant approved for all active Tondo scholars; SHG 6-month Hunger Relief grant confirmed for 300 scholars in 2026
- 30+ corporate partners delivered workshops, field trips, and career sessions — Concentrix, Marsh McLennan, J&J, LSEG, Google Philippines, Cambridge University Press, UNIQLO, Tala Philippines, and more

Track Level	SY 2025–26	SY 2026–27	Notes
Early Childhood (Time-to-Learn)	90	60	*Actual SY 2026–27 intake; dedicated Tondo TTL classroom opened March 2025*
Kindergarten	52	87	*Actual SY 2026–27 enrolment; projected 90, actual 87*
Elementary (Grades 1–6)	380	372	*Actual: G1:80, G2:55, G3:73, G4:56, G5:49, G6:59; includes 2 SPED*
Junior High School (Grades 7–10)	134	154	*Actual: G7:56, G8:31, G9:44, G10:23 — largest JHS cohort to date*
Senior High School (Grades 11–12)	74	54	*Actual: G11:19, G12:35; includes 2 SPED scholars*
College (1st–5th Year)	71	71	*Actual: C1:26, C2:10, C3:15, C4:18, C5:2 — 18 graduates in 4th year*

Vocational / Technical Track	10	12	*Includes 1st Year, 2nd Year Vocational · Dualtech, Anihan, Gokongwei partnerships*
GRAND TOTAL	**813**	**814 (+0.1%)**	*JHS surge +20 · College holds at 71 · ALS+Voc expanded*

Scholar Enrollment by Track — SY 2025-2026

813 active scholars · 6 community hubs · 52.4% female · 71 college scholars

HEALTHCARE & SOCIAL SERVICES

3,724 Consultations · 149% of Target

PHP 1,023,652 in Assistance Disbursed · 16+ Partners

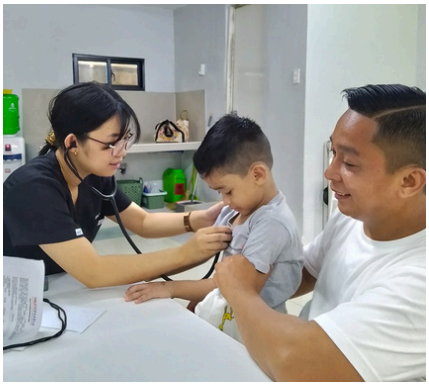

A sick child cannot learn, and an ailing parent cannot provide. Starting March 2025, the deployment of two part-time physicians transformed our clinics from monthly outreach to consistent, reliable weekly primary care in Tondo and Bulacan. By year-end, the program had completed **3,724 consultations across four community hubs** — surpassing our annual target of 2,500 by 49%.

Clinical Highlights

- Tondo: ~2,200+ consultations · Bulacan: ~1,100+ · Naic/Cavite: ~300+ · Zamboanga | Sibugay: 50+ via tele-consultation
- Most prevalent conditions: acute respiratory infections, pediatric pneumonia, hypertension, and diabetes across all sites
- Mass TB X-ray screenings with Médecins Sans Frontières (100+ patients, Tondo); repeat screenings in August
- Reproductive & family health: 137+ patients via FPOP (Family Planning Organization of the Philippines)
- Free vision restoration services through Tzu Chi Foundation (40+ patients, November)
- 13 medical missions across all communities in 2025 — FPOP, Prime Diagnostic, Ruth Sembrano Foundation, UST medics, Concentrix, and more
- Annual Physical Exams: 100% completion in Naic; 67% Bulacan; 62% Tondo and Zamboanga Sibugay
- 17 peer educators trained on sexual & reproductive health, child protection, and HIV awareness (FPOP Girls Act Philippines)
- "Breaking the Generational Trauma" workshop: 100+ parents and guardians from three communities, November 2025

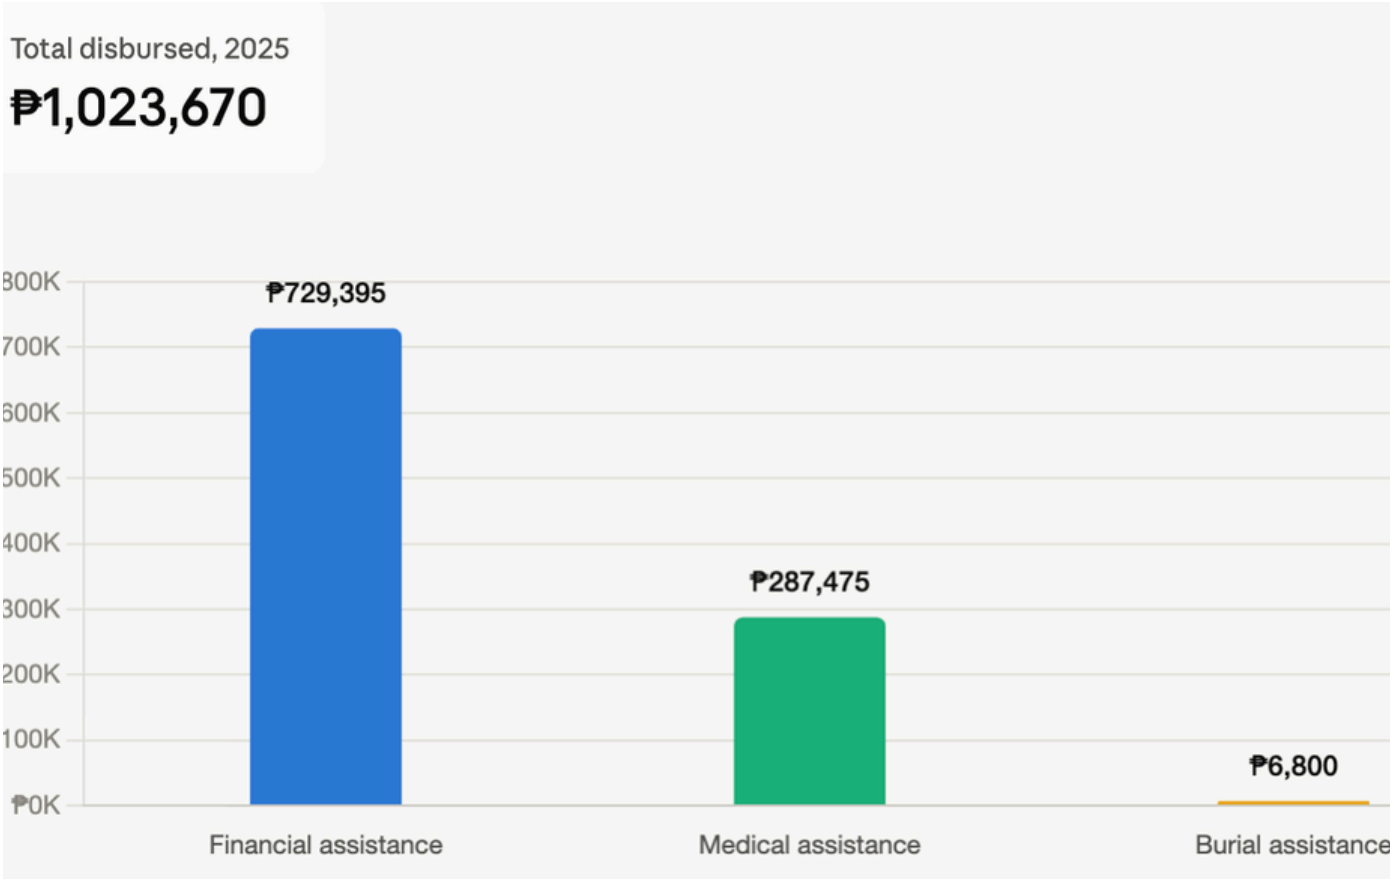

Financial & Social Assistance

- PHP 1,023,670 total assistance disbursed in 2025: PHP 287,475 medical · PHP 729,395 financial · PHP 6,800 burial
- October assistance of PHP 355,326 was the single largest monthly disbursement — fire recovery for 76 displaced scholar families
- 8 City of Malabon University social work interns served two cohorts (Feb–May and Aug–Nov), facilitating workshops and community assessments
- Complex priority cases managed in 2025: a scholar who underwent brain tumor surgery and began chemotherapy; a meningitis survivor with vision impairment who began Braille training; a scholar declared cancer-free after years of sustained oncology support

> *"Our clinics do not simply treat illness — they are the architecture of community survival." — Social Services Manager*

HUNGER RELIEF PROGRAM

Hunger Relief Program

Keeping Food on the Table, No Matter What

Having enough food to eat is the foundation everything else in life is built on — you can't focus on school, work, or growing up healthy if you're hungry. In 2025, our Hunger Relief Program had its busiest month in 15 years: we served **16,090 meals** in March alone. And we didn't miss a single week — not in Tondo, Bocaue, or Naic — even when fires broke out, funding ran low, or anything else got in the way.

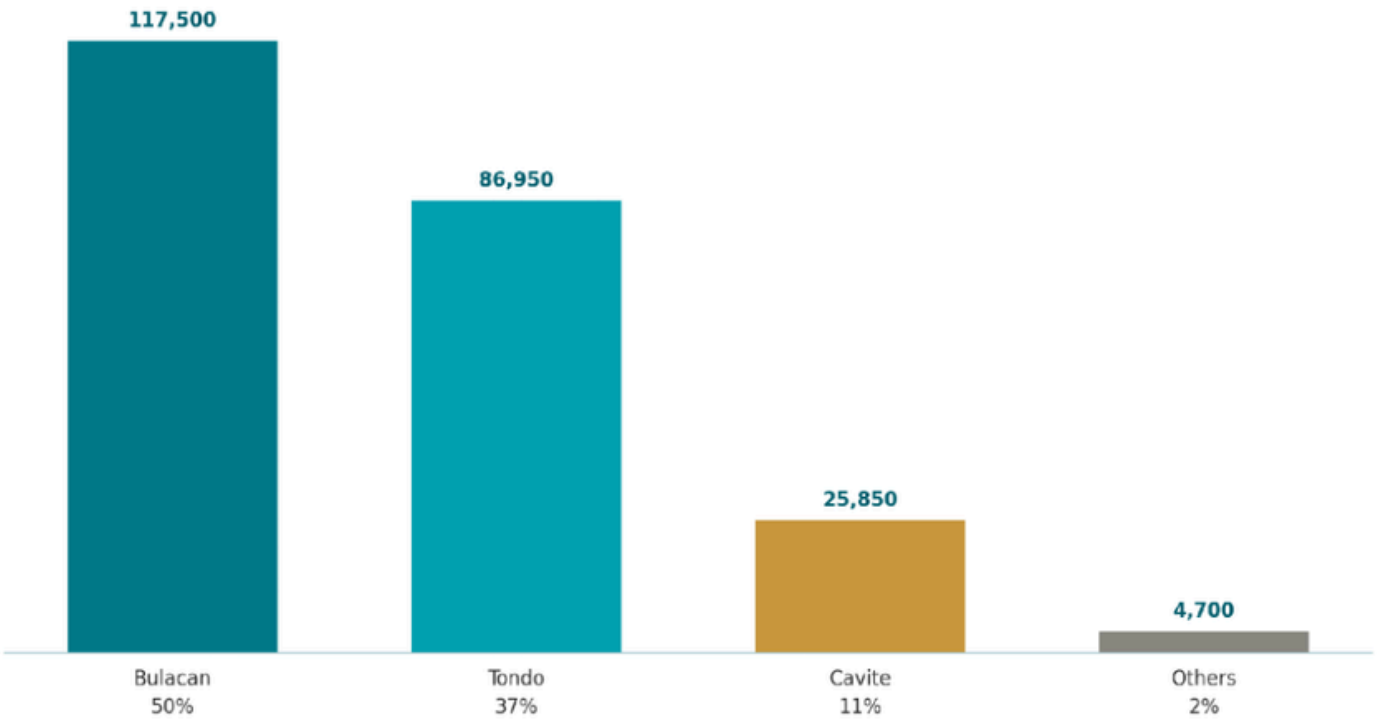

2025 Program Highlights

- 235,000 + total meals served across 194+ sponsored feeding initiatives — a 15-year organizational record
- Kain Tayo Pilipinas (Jan–Jul): 270 hot meals/day, four days a week in Bocaue — over 15,000 meals delivered through PBSP partnership
- 34,167 kg of donated food repurposed — PHP 7,988,210 in audited in-kind value · Bulacan led with 50% of all meals served
- September and November each recorded 24 sponsored feeding initiatives — the highest single-month counts of the year
- Recurring food partners: Eric Kayser Philippines (2,800+ kg bread), Rise Against Hunger, RFM Corporation / SOS Philippines, Canva Foundation, RSPo Foundation / Food Access Philippines, Scholars of Sustenance
- 20+ corporate partners engaged; 340 volunteers in December alone — the highest single-month volunteer count in program history

Hunger Relief — 235,000 Meals Served in 2025

644 meals every single day · 194+ sponsored feeding initiatives across all communities

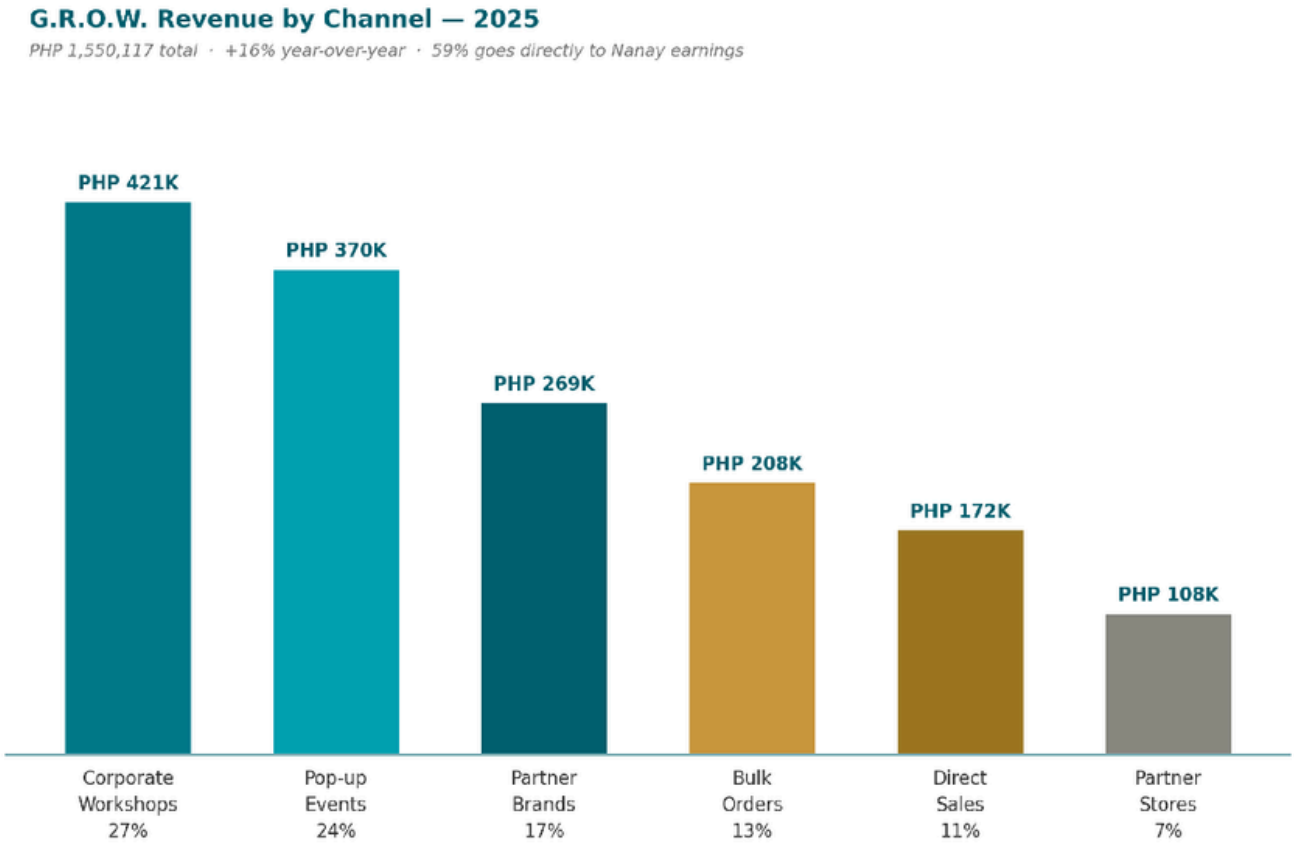

LIVELIHOOD & EMPOWERMENT

Milestones

- BWSM (Tondo) earnings grew 86% year-over-year — the fastest-growing hub, just two years after launch
- 320+ women trained across all programs; 130+ graduates in skills, livelihood, and empowerment workshops
- New skills launched on-demand: Chunky Bag Workshop developed and deployed within weeks of a client request (September, PHP 40,428 in a single event)
- Haircutting graduate Joefrey Sureta returned as trainer in August, facilitating 8 new graduates — the peer-to-peer cycle of G.R.O.W. made visible
- Globe GDAY: 360 corporate employees, 25 Nanays deployed, PHP 110,938 in a single event (September)
- Geographic expansion: third artisan hub officially launched in Del Carmen, Siargao (March MOA with Mayor Coro); Material Recovery Facility transformed into active G.R.O.W. eco-showroom
- 20+ corporate partners engaged; 700+ corporate volunteers reached; PHP 170,000 in cash donations received (AXA and others)
- Miss Universe Philippines: 11 candidates chose Project PEARLS for their advocacy; immersion day at Tondo and BWSM generated national media coverage

G.R.O.W.

Giving Resources and Opportunities to WoMen

1.55M Revenue · +16% YoY · 320+ Women Trained

G.R.O.W. closed 2025 as its most successful year since inception. Total revenue reached **PHP 1,550,117 — a 16% increase over 2024** — distributing **PHP 908,783 in direct earnings to an average of 25 Nanays per month** across two hubs: GROW Batia (Bocaue, Bulacan, est. 2019) and GROW BWSM (Smokey Mountain, Tondo, est. 2023). Average supplemental income: PHP 3,029 per Nanay per month.

Revenue Breakdown by Channel

- Workshops: PHP 421,620 (27%) — #1 revenue driver; AXA Week for Good generated PHP 120,000 in a single week (June)
- Pop-up events: PHP 370,274 (24%) — ADB She Sustains Marketplace, UNIQLO Convention, Crowne Plaza, Ride Revolution charity events
- Partner brands: PHP 269,013 (17%) — Dwellbeing provided consistent month-by-month revenue as the program's most reliable stabilizer
- Bulk orders: PHP 208,342 (14%) — ULSSI WOAM Bags, Crowne Plaza Buklod, Project KiDS ornaments
- Direct sales & partner stores: PHP 280,868 (18%) — Dwellbeing, The Good Store, Simula, Museo ng Pag-Asa

BAYANIHAN

PROGRAM FOR THE UNHOUSED & RELIEF OPERATIONS

HOMELESS FEED

Volunteers work together in preparing freshly cooked, nutritious meals for families and individuals experiencing homelessness, ensuring that every meal is safely and carefully packed before distribution.

Project PEARLS volunteers continue the meal preparation and packing process, demonstrating teamwork and dedication in providing quality meals for homeless families during the monthly outreach.

Teacher Diane facilitates the iSTORYA storytelling and values education session, engaging children living on the streets through interactive discussions that promote literacy, imagination, and positive life values.

Children actively participate in the iSTORYA activity by listening to stories and completing simple learning exercises, providing them with a safe and enjoyable opportunity to learn while developing their creativity and communication skills.

Children proudly display their completed learning activities alongside Project PEARLS volunteers after the iSTORYA session, reflecting the joy, confidence, and meaningful connections fostered through the program.

A family living in makeshift shelter beside their pedicab enjoys a freshly prepared meal through the Monthly Feeding Program, bringing comfort and hope during difficult times.

Project PEARLS volunteers prepare meals and essential supplies before the monthly distribution, ensuring an organized and dignified outreach for families experiencing homelessness.

Volunteers gather with freshly prepared meals, fruits, and other food items before distributing them to individuals and families living on the streets.

Individuals experiencing homelessness enjoy freshly prepared meals served through the Monthly Feeding Program, providing nourishment and a moment of comfort.

The organization serves nutritious meals to individuals and families living on the streets, helping address immediate hunger while restoring dignity and hope.

Children experiencing homelessness celebrate Christmas through a simple gathering filled with meals, gifts, and joyful activities, reminding them that they are loved and valued.

Following the outreach, volunteers gather for a short debriefing and group photo, reflecting on the day's impact and reaffirming their commitment to serving vulnerable communities.

Fire Relief Operation

DISASTER RESPONSE — SEPTEMBER 13, 2025

A catastrophic fire devastated Helping Land, Tondo, displacing **2,184 families** overnight — including 76 scholars, 1 staff member, 3 volunteers, and 2 G.R.O.W. Nanays. Project PEARLS opened its Tondo clinic as emergency shelter, deployed medical teams the following morning, and coordinated with ADB SCF to distribute **2,500 specialized care packages and 5,123 kg of relief goods**. October emergency assistance totaled PHP 355,325.56 — the largest single-month disbursement of the year — as families rebuilt. Not one scholar family was left without support.

HEALTHCARE & SOCIAL SERVICES

Following their medical consultations, children received hygiene kits, slippers, and loot bags to support their health, well-being, and recovery.

Through strategic partnerships, community members gained access to free eye screenings, prescription eyeglasses, and sight-restoring surgeries—services that would otherwise be beyond the reach of many families living in poverty.

Project PEARLS physicians conducted health rounds in evacuation and community centers following the fire, providing medical assessments, treatment, and continuous care to displaced children and families.

A simple ear examination can mean the difference between struggling in school and hearing a teacher's voice clearly. Through access to specialized healthcare, children received early screening and treatment that support both their health and learning.

Through the power of partnership, we brought free chest x-ray services directly to the community, helping identify potential health concerns early and ensuring that families receive timely medical attention and referrals.

For one of our beneficiaries living with hydrocephalus, monthly support in the form of milk, diapers, and nutritious snacks helps ease the family's burden and ensure her daily needs are met.

2025 IN PICTURES

HEALTHCARE & SOCIAL SERVICES

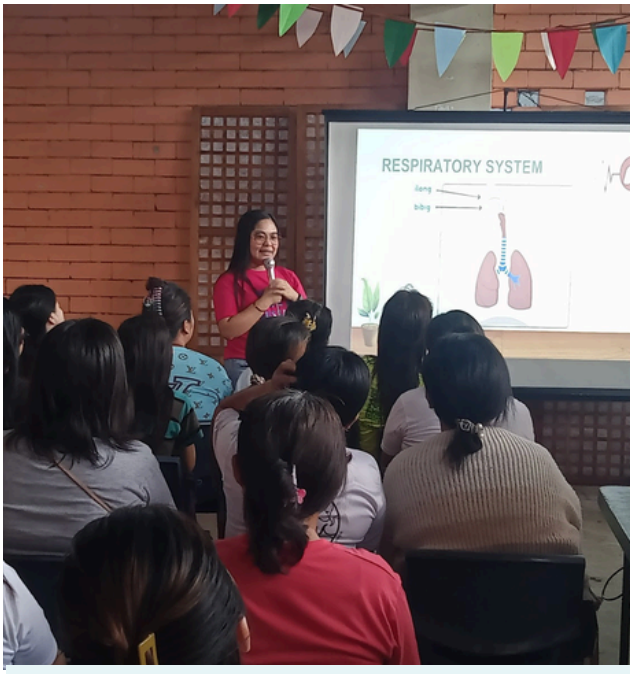

In celebration of World Menstrual Health Day, scholars joined conversations on menstrual health and hygiene, helping break the stigma surrounding menstruation and empowering girls with knowledge and confidence.

Trained in sexual and reproductive health, peer counseling, communication, and youth leadership, our scholars are becoming advocates for change. As future peer educators, they will lead learning sessions, provide support to fellow youth, and help create safer, healthier, and more informed communities.

During the "Breaking the Generational Trauma" workshop, mothers reflected on how unresolved challenges can build up like an inflating balloon. Through guided discussions, they learned healthier ways to process stress, strengthen relationships, and create safer, more nurturing homes for their children.

Our physician reached parents across four communities through health education sessions focused on prevention, wellness, and family health—empowering caregivers with the knowledge to keep their families healthy and thriving.
