

2025 IMPACT SNAPSHOT: OUR PROGRAMS

"Radical kindness changes lives"

– Project PEARLS

Fifteen years in, our five programs reached more children, women, and families than ever before. As we grow, we continue to empower underserved communities through education, healthcare, and support, fostering resilience and hope in every initiative we undertake.

813

Project PEARLS supports 813 active scholars, with a target of 833 for SY 2026-27, showcasing our commitment to education and gender equity.

3,724

Medical consultations exceeding targets

**PHP
1,550,117**

Revenue generated by women artisans

235,000+

Meals served, a record number in 2025

320+

Women trained across livelihood programs

Every program pillar exists to transform lives — and this year proved it. None of it happens without our staff, volunteers, partners, and donors.

Thank you for making 2025 a year of radical kindness.
