HORIZONTAL SIDE SLIDER

(PANELS THAT SLIDE FROM SIDE TO SIDE)

(SS10)

ANOTHER REMARKABLE SOLUTION.

If you prefer side-to-side operation, meet this eze product. It's just as strong. And breezy.

FLEXIBLE DESIGN

- Custom-made to fit your space
- Select from 2-10 vent options

EZE OPERATION

- Vents slide left or right with just one finger, thanks to corrosion-resistant wheels

EZE CLEANING

- Each vent can be removed in seconds, allowing up to 100% ventilation

PROTECTION

- Safeguards your furniture by eliminating 99% of harmful UV rays
- If the vinyl is impacted, it will return to its original shape in minutes
- Provides a barrier against outdoor pests
- Allows you to select your level of privacy with various tints
