Inspection Score: 100

Pursuant to Tenn. Code Ann. § 53-8-115, you are required to correct the priority item violations listed above within **10 days** of receiving this notice. You must also notify the Department within **15 days** that these violations have been corrected.

All other violations must be corrected according to the inspector's comments and no later than your next routine inspection. A follow-up inspection may be conducted to verify the corrections. Failure to meet the deadlines for correcting the violations may result in the cessation of your operations or assessment of civil penalties.

Please mail your responses to the violations to:

Tennessee Department of Agriculture

P.O. Box 40627

Nashville, TN 37204

Alternatively, you may email your response to: violation.food@tn.gov

If you have any questions, please contact the Tennessee Department of Agriculture at **615-837-5193**.
