About Da'Quan (Our Why)

Da'Quan Waters Foundation was created in loving honor of
Da'Quan Waters (March 16, 1998 – March 7, 2020).

Da'Quan lived with severe cerebral palsy and seizures
and was fully disabled—unable to walk or talk.

Despite his challenges, he was known for his sweet spirit,
love of people, and the joy he found in music—especially hip hop.

His life is our reminder that families deserve support,
and young people deserve opportunity.

Our foundation exists to carry Da'Quan's legacy
forward through love, stability, and impact.

“A Legacy Of Love & Impact.”

Programs & Impact Areas

Focused Programs. Real Impact. Lasting Change.

Family Support For Disabled Children & Families

We help families access needed resources, equipment, and urgent supports to care for their children with disabilities at home and thrive together.

Youth Professional Music Career Development

We provide mentorship, education, and industry exposure to help youth and young adults build skills and pursue sustainable music careers.

School Readiness

We support students and families with the tools and resources needed for a strong start—including supplies, readiness kits, and support when funding is available.

Young Adult Stability Support (Ages 18–25)

We provide guidance, coaching, and referrals to help young adults build stability, reach goals, and transition successfully into independence.

◆ About The Foundation ◆

Mission

To help families of children with disabilities remain together at home by providing services and needed equipment, to support youths and young adults in launching professional music careers through development and education, and to strengthen our community through school readiness and stability support initiatives when funding is available.

Vision

A community where families caring for disabled children have the resources to thrive, where young people have access to real mentorship and professional pathways, and where support is available when life becomes overwhelming.

How Sponsors Help:

Sponsorships power the visibility, production, and experience that drives fundraising—so we can serve more families and develop more youth.
