01 / JOIN YOUR WAY

Three ways to get started

01 FREE AFFILIATE

10%

Start at Pearl with no enrollment fee or order requirement. Advance through monthly group qualifications.

02 WELCOME PACK

15%

Start at Sapphire with a qualifying Welcome Pack. Your 15% minimum is protected for the first 90 days; higher earned rates still apply.

03 APPROVED INFLUENCER

20%

Typically starts at Ruby. Special starting percentages remain in effect unless +SYRONA leadership adjusts the arrangement.

NO MONTHLY MINIMUM ORDERS. EVER.

Grow your group at your own pace. Order whenever you want. Your rank is based on qualifying group activity, not mandatory personal orders.

02 / MONTHLY QUALIFICATIONS

Five primary ranks

Your qualifying group AP for one calendar month determines your direct-link RS rate for the following month.

PEARL 0 - 2,499 AP	**10% RS**
SAPPHIRE 2,500 - 4,999 AP	**15% RS**
RUBY 5,000 - 9,999 AP	**20% RS**
EMERALD 10,000 - 29,999 AP	**25% RS**
DIAMOND 30,000+ AP	**30% RS**

AP = Affiliate Points. Every $1 in qualifying revenue equals 1 AP. Your direct-link RS percentage can move up or down as monthly group AP changes.

Example: 6,000 AP in November qualifies for Ruby (20%) in December. Below 2,500 AP in December returns the rate to Pearl (10%) in January, unless a starting-rate protection or approved influencer arrangement applies.

03 / YOUR NETWORK

Six levels of revenue sharing

Your rank affects only Level 1 orders through your personal affiliate link. The additional five level percentages

LEVEL 1 Your personal direct-link orders	**10% - 30%**
LEVEL 2 Your direct affiliates' orders	**5%**
LEVEL 3 Third-level orders	**2%**
LEVEL 4 Fourth-level orders	**1%**
LEVEL 5 Fifth-level orders	**1%**
LEVEL 6 Sixth-level orders	**1%**

Ruby example: 20% on qualifying personal direct-link orders, followed by 5%, 2%, 1%, 1%, and 1% on the corresponding network levels.

04 / BEYOND DIAMOND

Diamond achievements

At Diamond and above, your Level 1 rate remains 30%. Qualifying monthly group volume can unlock additional achievement bonuses.

BLUE DIAMOND 50,000 - 99,999 AP	**$1,000**
RED DIAMOND 100,000 - 249,999 AP	**$5,000**
BLACK DIAMOND 250,000 - 499,999 AP	**$10,000**
CROWN DIAMOND 500,000+ AP	**$20,000**

One bonus per month. Only the highest qualifying Diamond bonus applies; bonuses do not stack. Bonuses are based on AP generated in the qualifying month, in addition to applicable revenue sharing.

ECCLESIASTICAL BOARD MEMBER: At 1,000,000+ monthly AP, an affiliate becomes eligible for consideration for an appointed ecclesiastical leadership position, not an automatic additional rank. Crown Diamond qualifications continue to apply.
