Our Shared Commitment to Excellence

Our Community

Broken Sound is more than an ensemble of people and amenities. It is a vibrant community shaped by the diverse interests and passions of its members. Each individual plays a part, adding to the spirit of the Club, and together, we create experiences that make Broken Sound truly special. There is something here for everyone, and it is the people around us who make those experiences meaningful.

A Shared Responsibility

At the heart of our community is a shared commitment to treat one another, and our dedicated staff, with courtesy, patience, and respect.

To help maintain a positive and welcoming environment, we ask all members to be mindful of the following:

- Show patience and understanding, especially during busy times
- Treat fellow members and staff with kindness and respect
- Exercise restraint in moments of disagreement
- Refrain from confronting one another; instead, bring concerns to Club Management
- Be mindful of your own behavior, and understand that you are responsible for the behavior of your children and guests
- Recognize that every interaction contributes to the overall Club experience

By embracing these shared values, we foster a culture of consideration, cooperation, and mutual respect.

Setting the Standard

Broken Sound thrives because of the connections we build and the appreciation we have for one another's differences. Together, we create an environment where all feel welcome, valued, and proud to belong. What makes Broken Sound exceptional is not just what we have, but how we treat one another. Courtesy sets the tone, kindness sustains it, and each of us plays a role in bringing it to life.

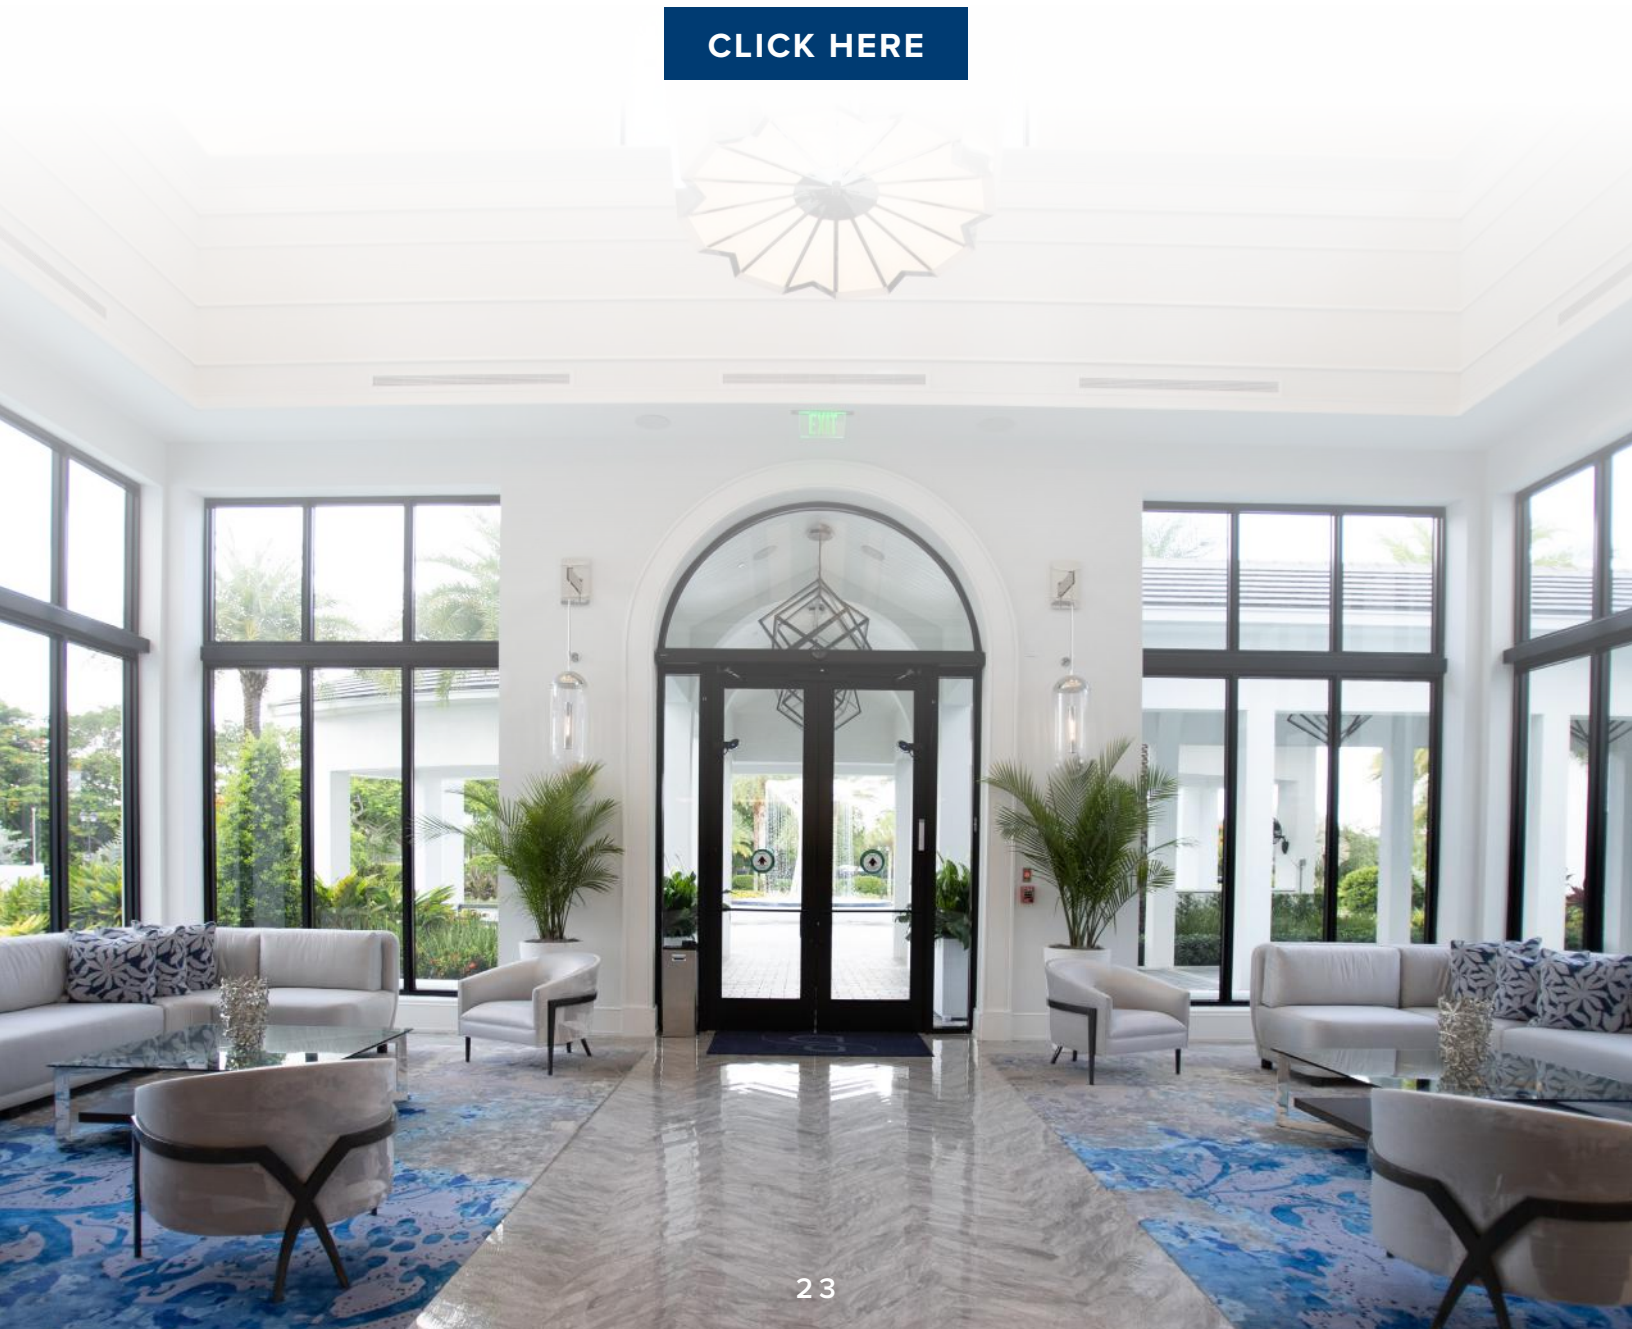

We warmly welcome you and invite you to be part of what makes Broken Sound exceptional - because here, community is everything.

Acknowledgment of Receipt & Understanding

I acknowledge that I have received and reviewed the Broken Sound New Member Digital Orientation, and understand that, as a Member, it is my responsibility to familiarize myself with the contents of this document and adhere to Club Rules, Bylaws and Policies. I also acknowledge that it is my responsibility to ensure other members of my household and my guests are made aware of, and adhere, to the aforementioned.
